ABOUT US

Blue Whale Security Services, founded in 2018, began with a mission in event management and watchmen services, eventually evolving into a registered company—Blue Whale Security (OPC) Pvt. Ltd.—to provide structured manpower solutions and job opportunities for individuals with limited qualifications. As an ISO 9001:2015 certified company, it has emerged as one of Central India's leading providers of total security and facility management services. With a dedicated team of over 250 security professionals, including ex-army trainers and experienced managers, Blue Whale serves top corporates, industries, hotels, banks, and educational institutions across the region.
